PETITIONER'S OBJECTION TO
THE RESPONDENTS REQUEST FOR
ADDITIONAL TIME TO RESPOND

Comes now the petitioner, Roscoe Louis Holloway, and here by submit this objection to the respondents request for additional time to respond as the petitioner's 28 u.s.c § 2254 petition that is before this court challenges his present confinement under the conviction of robbery 3rd degree, and the respondent is thus showing no concern for whether petitioner's confinement is further aggravated, and delay by their lack of concern to the matter at hand. This court strictly ordered them to answer by April 2nd 2007, and that order was not followed but abridged by their seeking additional time. I fully object, and pray that this court will deny their request, and follow appropriate measure to ensure that the petitioner is not made to suffer undue delay in his efforts at being from this conviction, and sentence which has been raised on Habeas Corpus Petition.
